

EVENTS

# LA CABANE

---

The emblematic Marbella venue, originally built in 1965, reopened its doors with **Dolce & Gabbana** in the **summer** of **2023**, where the prestigious Italian fashion brand has taken its iconic prints to the most luxurious beach clubs on the planet.

**Dani García and Grupo Mosh** fusion has redesigned this exclusive space, transforming it into a gastronomic and entertainment proposal, taking it to another level.
